## About iEARN and iEARN-Qatar

**iEARN**, the International Education and Resource Network, is a non-profit organization made up of over 25,000 schools in more than 120 countries. iEARN empowers teachers and young people to work together online using the Internet and other new communications technologies in order to connect classroom learning with real world issues.

**iEARN-Qatar**: Reach Out To Asia is the Official representative of the iEARN program in Qatar, and is providing opportunities for students and teachers to collaborate through the network with other iEARN communities around the world.

Educators will also have an opportunity to join the ROTA Knowledge Network to further develop their professional skills and implement meaningful online projects supporting their teaching. More than 40 schools and 100 teachers have already been involved in iEARN-Qatar, join them!
