Commitment Statements

As the **school official authorized representative** of your school, please put a check mark next to each of the statement to indicate that you have read and agree with them.

To be part of the iEARN-Qatar program, all Schools need to agree to the following:

<input type="checkbox"/>	To provide equal rights and access to all students and teachers irrespective of race, color, gender, national origin, religion or learning disabilities.
<input type="checkbox"/>	To support teachers and students and provide them with the necessary support for the projects implementation such as approval to attend training sessions, access to necessary equipment and facilities, time within school hours and after school as necessary to work on the projects.
<input type="checkbox"/>	To provide access to and maintain computer, internet and telecommunications equipment within the school for the program. This will include creating a schedule of use for equipment to allow teachers and students to access the computers and other necessary tools, maintaining consistent access to the internet and regular maintenance of the computers to ensure their working status.
<input type="checkbox"/>	To work with iEARN-Qatar to compile regular reports of the teachers and students work and to evaluate all aspects of the program by actively participating in the evaluation component.

Please complete and sign this side to certify that the school will comply with this commitment to the best of their abilities.
